Dear Sir/Madam,

Greetings from ASAP!

'Earn While you Learn' Programme

URGENT REQUIREMENT

The Additional Skill Acquisition Programme (ASAP) has invited applications for the post of **Skill Development Executives (SDE)**. The last date to apply is **August 31, 2018**.

The Additional Skill Acquisition Programme (ASAP) under Department of Higher Education, Government of Kerala is offering skill courses to Higher Secondary School and College students along with their regular courses. The students studying in Government and Government Aided Higher Secondary Schools and in Arts and Science Colleges are being trained in sector specific skills in order to make them job ready. The Additional Skills Acquisition Programme (ASAP) has been developed to impart sector specific skills to create a labour market ready work force.

ASAP recognizes the importance of Communicative English and IT for any student to pursue any career. We offer 'Foundation Module' that comprises both the above before training a student in a specific skill. For this purpose, we recruit Skill Development Executives (SDE) to train the students on English and IT. An SDE is a trainer who **works part-time for ASAP** on an hourly payment basis to impart English and IT Skills to the students of Higher Secondary and College.

An SDE will have to work one hour a day – either morning 8am-9am or evening 4:30pm-5:30pm; at a Government Higher Secondary School or College nearest to their hometowns. He/she will be paid Rs.500/hour for their class. SDE Recruitment is a two-stage process – Aptitude and NAC Based Exam and Interview. Once selected, he/she will have a training and then will be deployed at an Institution according to his/her locality.

ASAP understands students in B.Ed colleges who have already chosen their career path towards teaching would have the passion to train the students effectively. We offer them 'Earn while you Learn'. ASAP is in search for passionate and dedicated trainers who could deliver excellent interactive sessions with the students of the age group 15-20.

We request your college to kindly spread the word amongst your students and encourage them to take up these opportunities to enhance the skills for the novel career that they have already chosen.

The SDE recruitment process and the guidelines to apply for the Post is explained in the below link.

Contact: [8129530949](tel:8129530949) (Ajay), [9495999648](tel:9495999648) (Sujeesh), [9400890982](tel:9400890982) (Aswin)

We request your permission to come to your campus and interact with your students regarding this opportunity and motivate them to join ASAP on a part-time basis.

Thank you.

Regards,

District Programme Manager
